Mental Health Clinician I or II Psychiatric Social Worker I or II

I

Edelman Mental Health Clinic is an Adult crisis intervention and intensive outpatient mental health clinic located in Los Angeles with an opening for a Mental Health Clinician I or II or a Psychiatric Social Worker I or II. The Clinician works as part of an interdisciplinary team to stabilize, diagnose, treat, and advocate for adults who present in acute crisis.

DUTIES INCLUDE BUT ARE NOT LIMITED TO:

- Maintain a caseload of 150+
- Provide intensive case management and outpatient mental health treatment services including crisis intervention and stabilization services
- Maintain electronic charts, complete initial assessments & keep up with heavy and detailed DMH documentation requirements
- Link and connect consumers to viable and appropriate resources.

DESIREABLE QUALITIES:

- Experience working effectively within a multi-disciplinary team;
- Experience and ability working with challenging clients
- Experience and comfort working with all levels of psychopathology
- Experience working with sex offenders
- Ability to be flexible with evolving programs and work duties;
- Strong interpersonal skills with the ability to work and communicate effectively with other County employees, community agencies and consumer partners;
- Strong writing and verbal skills;
- Superior time management and organizational skills;
- Ability to problem solve while working under pressure;
- Ability to complete tasks and meet deadlines with frequent interruptions

Individuals currently holding the title of Mental Health Clinician I or II or Psychiatric Social Worker I or II, are encouraged to submit their resume to the address below. Please submit resume and Performance Evaluations for the last 2 years.
